High performance. Delivered.

**IT Consultant for a Day –
April 27, 2012**

consulting | technology | outsourcing

Have you ever wondered what consultants actually do?

If so, now is your opportunity to find out by spending a day with experienced Accenture Consultants. If you thrive for professional and intellectual challenges, Accenture's IT Consultant for a Day 2012 will give you the opportunity to apply your education and skills in a team case competition.

Accenture's IT Consultant for a Day 2012 is a great opportunity for you if you like to:

- Experience how consultants work strategically and operationally to solve a case.
- Explore the challenges and rewards of consulting and develop your competencies.
- Enter into an interdisciplinary and challenging collaboration with talented fellow students.
- Meet and network with professionals from Accenture.

About Accenture

Accenture is a global management consulting, technology services and outsourcing company, with more than 244,000 people serving clients in more than 120 countries. Combining unparalleled experience, comprehensive capabilities across all industries and business functions, and extensive research on the world's most successful companies, Accenture collaborates with clients to help them become high-performance businesses and governments. The company generated net revenues of US\$25.5 billion for the fiscal year ended Aug. 31, 2011. Its home page is www.accenture.com

You will gain insight of the type of work consultants do by solving a "real" business case in a small team together with other bright students with different educational backgrounds. Accenture consultants will provide feedback and challenge you throughout the day and the event will end with a dinner where you get the opportunity to talk in an informal setting.

The event will take place in Copenhagen April 27, 2012. Accenture will cover the transport cost for participants from Jylland, Fyn and Lund/Skåne.

Apply Now

Visit www.accenturejob.dk and find out more about the event. Submit a short motivated application letter in English, your CV and academic transcripts. Applications should be submitted no later than April 11, 2012.

Kind Regards

Accenture and Accenture's IT Consultant for a Day 2012 event team
